the Southern trust

As a supporter of my rugby league team

I WILL remember:

- This is a game
- Coaches are volunteers
- Referees are human
- This is not the NRL

BE A SPORT, JUST SUPPORT!

At all times I will reflect the NZRL values of Integrity, Respect, Leadership, Courage & Passion by:

- Supporting our team champion
- Encouraging participants to play within the rules and respect the efforts of their opponents
- Applauding effort and improvement by both teams

- Giving positive comments that motivate and encourage continued effort

- Accepting the decisions of the referees

- Helping when asked by a coach or official and thanking volunteers that give their time
- Respecting the rights, dignity and worth of all people involved in the game

- Acting in a manner befitting of the spirit of the game of rugby league

Creating a more positive experience for everyone on and off the field

Enjoy the season
